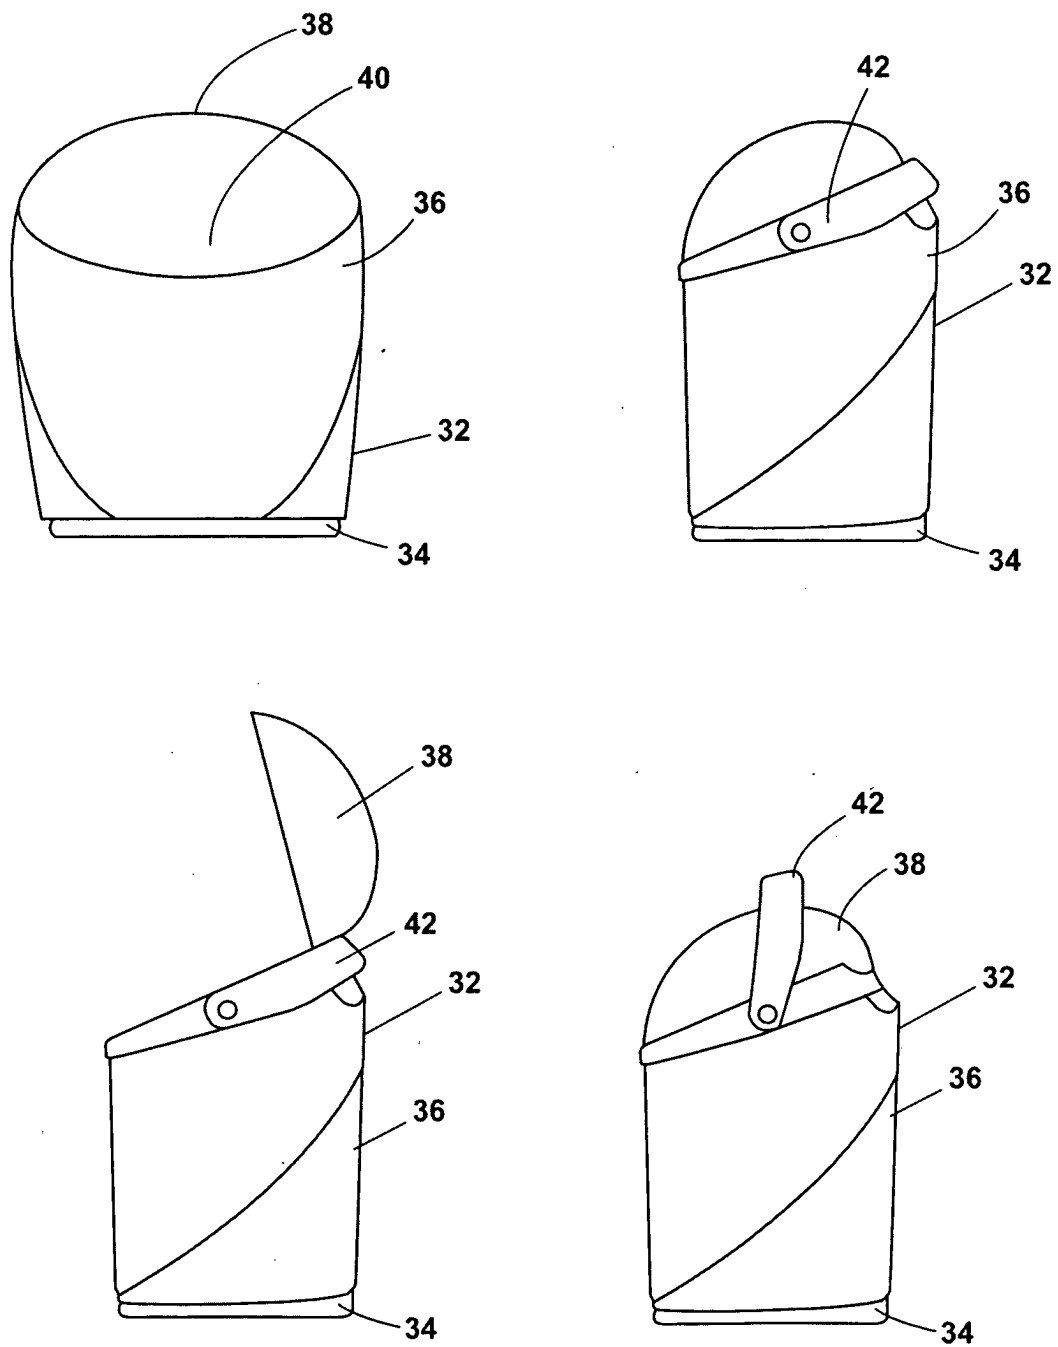

Fig. 5

Figure 1 is a schematic diagram of a medical device 30, showing a front view and a cross-sectional view. The front view on the left shows a top display 32, a control panel 50 with buttons and a screen, and a base 114. The cross-sectional view on the right shows the internal components, including a motor 48, a pump 49, and various fluid lines and chambers. A dashed line 152 indicates a separation between the upper and lower sections. A hatched area 154 is shown at the bottom of the cross-section. A curved arrow 30 indicates the device's rotation.
